

# Greater Houston Stamp Show 2010

## Show Cachet

Each year the Houston Philatelic Society prepares a special show cachet and cancel for its annual Greater Houston Stamp Show (GHSS). This year the cachet features a drawing of a cowboy at a campfire and a cancel of a cowboy & his horse in silhouette.

Stamps to be used on the cachet cover are from the *Cowboys of the Silver Screen* issued recently by the United States Postal Service. These stamps honor four extraordinary performers who helped make the American Western a popular form of entertainment. Film stars from the silent era through the singing era are featured on the stamps: Roy Rogers, Gene Autry, Tom Mix & William S. Hart.
